Committee: Garagiola for Congress (C00503920)

Ms. Hough,

We write in response to the Commission's letter dated June 4, 2012, regarding the Committee's April Quarterly Report.

1. The letter lists three contributions that are said to be missing from 48 Hour Reports. Each of these contributions was reported on a 48 Hour Report. I have listed the date of the report next to each entity.

American Medical Association Political Action Committee - disclosed on 3/26/2012 48 Hour Report
Committee on Letter Carriers Political Education ? disclosed on 3/30/2012 48 Hour Report
DRIVE ? Democrat Republican Independent Voter Education PAC - disclosed on 3/30/2012 48 Hour Report

2. The Committee has done its best efforts to obtain the employer and occupation for all contributors who have an aggregate contribution of \$200 or more. The Committee includes a best efforts notification on all solicitation materials and if an employer and occupation is not supplied when a contribution is made, the Committee follows up to ask solely for the employer and occupation with first a phone call, then an email, and then a letter within 30 days of the initial contribution.

The Committee has received new information for the following contributions which were disclosed on the April Quarterly 2012 Report.

3. The Committee has amended its April Quarterly Report to clarify the disbursement descriptions.

If you need any further information, please contact the Committee.

Respectfully,
Sue Hecht
